Tap & Go Feature

For your protection, your Westpac Business Visa Debit Card has been issued with an EMV chip. The advantages of a chip card include better security, which lowers card-present counterfeit fraud, and increased international acceptance, as EMV chip cards are currently accepted in over 130 countries. In short, Westpac provides you with a smarter, faster, and safer way to shop. Simply tap your card on the screen of the EFTPOS terminal and wait for the transaction to be confirmed. If the transaction is over a certain amount, you will be prompted to input your PIN. Or insert your card into the chip card reader of the EFTPOS terminal and enter your PIN.
