NOTES:

If applicable, any charges to renewal instructions should be advised prior to maturity/within 5 days of maturity. In absence of disposal instructions, deposit will be automatically renewed, with interest added, for a similar term at the rate applicable at that time.

Any profit / loss incurred as a result of a fluctuation in exchange rate of the currency deposited will be for your care and account.

A term deposit is a fixed rate contract and you should carefully consider or seek advice from the Bank whether you will need funds prior to maturity. Should you require your funds prior to maturity (whether in whole or part), the Bank will have to conduct an assessment to determine whether hardship applies. The Bank will provide its written consent for you to break your deposit before maturity only in instances where the Bank is satisfied that hardship applies.

In the event the Bank provides its consent, and your deposit is broken before maturity, your interest will be adjusted in accordance with the rate applicable to the reduced term.
